CONSENT FORM

How Do Different Digital Tools Affect Skill Acquisition and Retention? A Randomised Controlled Trial

CUREC Reference: [CUREC Reference Number]

Name of Researcher: Bruno Kneffel

Please confirm each of the following statements by ticking the box (or initialling if on paper): **If you agree, please tick**

1. I confirm that I have read the Participant Information Sheet (version [____], dated [____]) for this study. I have had the opportunity to consider the information, ask questions, and have had these answered satisfactorily. [☐]
2. I understand that my participation is voluntary and that I am free to withdraw at any time without giving any reason and without my legal rights being affected. [☐]
3. I understand that I will be randomly allocated to use one of two digital tools during the study, and that I will not be able to choose which tool I use. [☐]
4. I understand that my interactions with the assigned digital tool during the study will be recorded and used for research purposes. I will not share any personal information when using the tool. [☐]
5. I understand that the time I spend on each phase of the study will be recorded automatically. [☐]
6. I understand that relevant data collected during the study may be looked at by authorised individuals from the University of Oxford and from regulatory authorities, where it is relevant to my taking part in this research. I give permission for these individuals to have access to my data. [☐]
7. I understand that my data will be linked to my Prolific ID for a maximum of one week after study completion, after which the Prolific ID will be permanently removed and replaced with a random identifier. [☐]
8. I agree to my anonymised data being used in future research and shared with other researchers via public data repositories. [☐]
9. I agree to take part in this study. [☐]

By proceeding past this page, you confirm that you have read and understood the Participant Information Sheet, that you have had the opportunity to ask questions, and that you freely consent to participate in this study under the conditions described above.

This consent will be recorded digitally via the Qualtrics survey platform, together with your Prolific ID and a timestamp.
